Kirsten Engel Posts Another Successful Fundraising Haul

TUCSON — Today, Democrat Kirsten Engel [announced](#) raising over \$424,000 during the third quarter in her campaign to represent Arizona's Sixth Congressional District. This is her second quarter raising over \$400,000, and her campaign war chest has swollen to nearly \$650,000 on hand.

"Southern Arizonans deserve a leader focused on solving problems and delivering results for our communities," said Kirsten Engel, Candidate for Arizona's 6th Congressional District. "Unfortunately, our current representative has failed to deliver. I am deeply humbled by the enthusiastic grassroots supporters who have stood with our campaign focused on growing the middle-class, ensuring veterans have the healthcare benefits they deserve, and protecting reproductive rights and freedoms."

Kirsten Engel is committed to putting Arizona families over Washington special interests. That's why she has rejected corporate PAC contributions to her campaign.
