Giffords PAC Endorses Kirsten Engel in AZ-06

Engel secures key endorsement from leading gun violence prevention organization

TUCSON — Giffords PAC has endorsed Kirsten Engel in the race to represent Arizona’s Sixth Congressional District.

Led by former Congresswoman Gabrielle Giffords of Arizona, Giffords PAC is a leader in the movement to end gun violence in America. Their endorsement shows that Engel is the candidate in this race who will prioritize reducing the gun violence epidemic while in Congress.

“I am honored to receive the endorsement of the Giffords PAC,” said Engel. “I’m a mom, and, like so many Americans, I worry about the safety of my child every day. Giffords PAC is dedicated to finding commonsense solutions to our epidemic of gun violence and I am grateful for their support for my future work in Congress on this most important issue of public safety. I look forward to further supporting these endeavors after I am elected.”

“I know that winning a tough race in Arizona takes grit, a passion for helping others, and the courage to take on the biggest issues facing our state. My friend Kirsten Engel has all of these traits, and I’m proud to stand with her in this consequential election.” said Former Congresswoman Gabrielle Giffords. “Kirsten has always put the safety of Arizona families first and I’m excited to work with her on commonsense safety measures that prevent gun violence and save lives in Tucson, our hometown, and across the country.”

Giffords PAC joins a growing list of major endorsements for Engel, including leaders such as U.S. Senator Mark Kelly and Congressman Ruben Gallego, and organizations like the New Democrat Coalition Action Fund, Elect Democratic Women, and EMILYs List.
