**FOR IMMEDIATE RELEASE**

**NEW: Juan Ciscomani Votes to Slash Funds for Arizona's Already Depleted Natural Resources**

**TUCSON, AZ** — Environmental attorney and candidate for Arizona's 6th Congressional District Kirsten Engel released the following statement after Juan Ciscomani once again bent the knee to extreme House Republicans and [voted to slash funds for Arizona's depleted clean water and natural parks](#).

**"My opponent turned his back on Arizonans at a time when our critical natural resources like water are in serious jeopardy. By caving to the extremists, Juan Ciscomani supported dangerous legislation that would squander critical funding Arizona could use to strengthen our water infrastructure – and make it easier for large corporations to pollute our local communities. Ciscomani is not the moderate he pretends to be – and his refusal to work for Arizona is just another reason he cannot be trusted to represent us."**
