Building Momentum, Kirsten Engel Posts Another Successful Fundraising Haul

TUCSON — Today, Democrat Kirsten Engel announced raising \$460,000 during the fourth quarter in her campaign to represent Arizona's Sixth Congressional District. She has raised over \$400,000 every quarter of this campaign, and her campaign war chest has swollen to nearly \$900,000 on hand.

"Southern Arizonans deserve a leader focused on solving problems and delivering results for our communities," **said Kirsten Engel, Candidate for Arizona's 6th Congressional District.** "House Republicans, including our opponent, have failed to deliver for Southern Arizona or the American people. I am deeply humbled by the enthusiastic grassroots supporters who have stood with our campaign focused on growing the middle-class, ensuring veterans have the health care benefits they deserve, and protecting reproductive rights and freedoms."

Kirsten Engel is committed to putting Arizona families over Washington special interests. That's why she has rejected corporate PAC contributions to her campaign.
