Arizona Attorney General Kris Mayes Endorses Kirsten Engel
Cites abortion rights and water policy as key issues

Kirsten Engel announced another major endorsement in her campaign to replace Republican Congressman Juan Ciscomani in AZ-06.

“As a legislator, Kirsten Engel fought for abortion rights and to secure our water future. Using her experience as an attorney, law school professor, and a mom, I know she'll fight for every Arizonan in Congress. I'm proud to endorse her candidacy for AZ-06.”

Mayes, a former Republican who served on Arizona's Corporation Commission, was the first Democrat elected Attorney General in sixteen years when she won a very competitive race in 2022.

“I am thrilled to have Attorney General Mayes's support,” said Engel. “As a Corporation Commissioner, Kris was instrumental in increasing renewable energy standards. As our Attorney General she is defending our water supply, our voting rights, and access to safe and legal abortion services. I appreciate her support and look forward to working with her as a member of Congress.”
